Independent Auditor's Report

To the Architect of the Capitol

We have audited the accompanying Balance Sheets of the Architect of the Capitol (AOC) as of September 30, 2005 and 2006, and the related Statement of Net Cost, Statement of Changes in Net Position, Statement of Financing, and Statement of Budgetary Resources for the years then ended. These financial statements are the responsibility of AOC's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Office of Management and Budget (OMB) Bulletin No. 06-03, *Audit Requirements for Federal Financial Statements*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes an assessment of the accounting principles used and significant estimates made by management, as well as an evaluation of the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial positions of AOC as of September 30, 2005 and 2006, and its net costs, changes in net position, budgetary resources, and financing of operations for the years then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our reports dated January 12, 2007, on our consideration of the AOC's internal control over financial reporting and on its compliance and other matters. The purpose of those reports is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. Those reports are an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

A handwritten signature in blue ink that reads "Kearney & Company". The signature is written in a cursive, flowing style.
